Dear Mr Sample,

August in the garden is a time for enjoying and planning. After all the effort put into the garden earlier in the year, now is when we gather cut flowers for the house and enjoy feasts of homegrown fruit, veg and herbs.

We have highlights of our favourite new varieties on pages 54-55, including the breakthrough Raspberry Tree, providing juicy berries on a compact potted tree.

You can find veg seed best sellers and seeds to sow now on pages 56-59, as well as gardening tools and essentials on pages 72-77.
